Lisa Reed - Envision Lighting Design

Kansas City section jurors for St. Louis section projects:
Jon Brolhorst - M.E. Group
Kim Ilhardt - Henderson Engineers
Clint Paugh - Helios Lighting
Donna Sebert - Lighting Solutions Group

Welcome to the 2014 Kansas City Section IES Illumination Awards!
We are excited you are joining us this evening to celebrate our lighting design community.

I’d like to take a moment to say thank you to the vast amount of people who help put this evening on. What has become a group effort, would not be what it is without these people who make up our amazing awards committee. Stacy Ernst, Ryan Farmer, and Kim Ilhardt organize everything from an enormous mailing list, centerpieces, this program, the invitations and more!

Thank you to those who helped set up tonight! I would have loved to list you all here, but every year I’m surprised by a few more people showing up to help because they know we are here and getting ready.

To the Kansas City board, who listens to new ideas and thoughts every month; thank you for all your advice.

To all of our sponsors! Please visit pages 2 for sponsors of our Kansas City Section, and page 3 for sponsors of our banquet. This event is largely paid for by these sponsors; please make sure to let them know they are appreciated. Also, check out page 12 for local businesses supporting our evening.

Lastly to our award winners. Thank you for sharing your projects with us. Thank you for continuously supporting our program. Without the passion and love you put into every project, we would have nothing to celebrate. Enjoy tonight - for it is all about you!

My best to each and every one of you -

We would like to thank the following local businesses for their donations to our event tonight:
